++ Valid for broadcast between 0600 and 1800

Headline:
Hot and sunny for most with early cloud clearing Friday.

Today:
Low cloud, mist and fog through the Central Belt and Borders will burn back to the east coast in the morning to give another hot sunny day. Mostly dry with just an isolated heavy afternoon shower across Dumfries and Galloway. Maximum temperature 29 deg C (84 deg F).

Tonight:
A dry evening and night. Clear skies in the west, but low cloud mist and fog will spread west through the Central Belt and the Borders in the early hours. Minimum temperature 11 deg C (52 deg F).

Saturday:
Low cloud through Central Belt and Borders burns back to the east coast in the morning, giving a dry warm sunny day. High cloud turning the sunshine hazy at times. Maximum temperature 24 deg C (75 deg F).

Outlook for Sunday to Tuesday:
Dry warm and often sunny on Sunday, some patchy overnight low cloud. Cloudier with a chance of rain on Monday and Tuesday.
